量尺说明

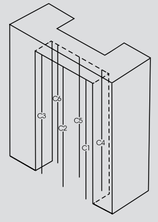
Measurement Instructions

报尺寸：门洞尺寸宽和高量最窄，墙厚量最宽的

Dimension submission: Measure the narrowest width and height of the doorway, and the thickest wall depth.

内、外、上、中、下
6 次数据，取最小值为准

(高度从地板算起，
如未铺地板
请自行除去地板高度)

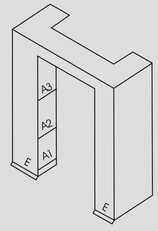


Inner, Outer, Top, Middle, Bottom
Take the minimum value from six measured readings.
(Height is measured from finished floor level; deduct floor thickness separately if flooring is not yet installed.)

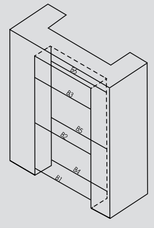
上、中、下 3 次数据，
取最大值为准，

贴瓷片不要超出门洞标线

若需贴踢脚线，
测量人员标出门套包墙标线，
若已贴，则需施工方切除。



Three measurements at Top, Middle and Bottom, take the maximum value.
Tile laying shall not exceed the doorway marking line.
If skirting board is to be installed, measurer shall mark the casing wall wrapping line; if skirting is already fitted, the constructor shall cut it off.



内外上、中、下
